IIEF-Questionnaire on the quality of the erectile function

These questions ask about the effect your erection problems have had on your sex life **over the past 4 weeks**. Please answer every question by marking one box with an [X]. If you are unsure about how to answer, please give the best answer you can. In answering these questions, the following definitions apply:

Sexual stimulation: Includes situations such as a loveplay with a partner, looking at erotic pictures, etc.
Sexual activity: Includes intercourse, caressing, foreplay and masturbation.
Sexual intercourse: Is defined as sexual penetration of the partner.
